Prize-Winning Dahlias.*

To My Clients.

MANY THANKS for all congratulatory letters and kind statements. To prospective customers I might state that I do not now exhibit, as I prefer to have my customers win with my introductions. Your success in growing prize winners with my dahlias is of more importance to me than winning prizes myself. Reports from my customers indicate that the plants bought from me did well everywhere, which is a high compliment to the vitality of my stock. To be successful, care must be used in purchasing new varieties, and stocks should be purchased from none but reliable growers. Always remember it pays to buy the best. As proof here I list a few of the prizes and championships awarded my Dahlias at the leading shows this season.
